

§611.310

(b) *Removal.* Each institution must establish and maintain procedures for removal of outside directors. When the removal of an outside director is sought before the expiration of the outside director's term, the reason for removal must be documented. An institution's director removal procedures must allow for removal of an outside director by a majority vote of all voting stockholders voting, in person or by proxy, or by a two-thirds majority vote of the full board of directors. The outside director subject to the removal action is prohibited from voting in his or her own removal action.
